

# Niagara Sliding Track System Formulating Character and Distinction

# Niagara

Formulating character and distinction.

The Niagara sliding door system simplifies a complex task. Featuring a removable pelmet, this ensures easy access to rollers. The aluminum comes in a vast array of prefinished colours and a neat fitting end cap.

This heavy duty track system is one of the most reliable and hard wearing systems available. It is being used extensively throughout corporate fit outs because of its ability to accommodate a range of doors. With the roller assembly boasting smooth, ball bearing wheels that can take up to 250kg – you can be assured it will suit all your requirements.

**Features of Niagara**

- Removable pelmet for easy access of Roller Assemblies
- End Cap for neat finish
- Capacity of up to 250kg
- Smooth and reliable
- Easy to install
- Comes in prefinished colours
- Door thickness of 44mm
